## PROFILE

Software Developer proficient in developing and learning relevant skills quickly. Equipped with a diverse and promising skill-set. Able to effectively self-manage during independent projects, as well as collaborate as part of a productive team.

## EMPLOYMENT HISTORY

### Math Teacher (9-12), North Panola High School

Sardis, MS

Aug 2018 — Aug 2023

- Achieved 108% growth in student performance.
- Communicated with students and families of students in a professional manner.
- Collaborated with other faculty members to connect curriculum and deepen the level of learning taking place.
- Designed and implemented effective organizational systems to document student learning.
- Facilitated student teams to foster increased productivity and growth.

## EDUCATION

### Base Camp Coding Academy Graduate Institute

Water Valley, MS

Sep 2022 — Sep 2023

Base Camp Coding Academy is a non-profit 501(c)(3) organization that allows under-advantaged individuals to enroll in a year-long program where the students work with real-world technologies. These technologies include the fundamentals of app-development, coding, project management, and the life leadership skills they will need to be successful in their career and competitive in this software development job market upon graduation. It is fast-paced and focused curriculum that covers Python, HTML, CSS, JavaScript, Django, Java, and Spring. In this program, I participated in a variety of leadership roles such as mentoring, managing, and procuring necessary materials for the organization.

### Masters of Arts in Teaching, University of Mississippi

Oxford, MS

Aug 2018 — May 2020

### Bachelor's of Science in Agricultural, Environmental, and Sustainable Systems, Kentucky State University

Frankfort, KY

Aug 2013 — Dec 2016

Graduated Summa Cum Laude.

### Associates of Arts in Liberal Arts, Kentucky State University

Frankfort, KY

Aug 2013 — May 2016

Graduated Summa Cum Laude

## CERTIFICATIONS

### Teaching Licensure (MS)
